KNOBEL & DAVIS
REAL ESTATE

7 Grice Crescent NINGI QLD

Situated in the new area of Sandstone Lakes, this regular shaped block is 795m2 in area and backs onto the water and nature reserve and bushland.

This block was selected by the current owners due to its many attributes, including having an easterly aspect to the rear to obatain the morning sunshine. Due to a change in circumstances this block is seriously for sale.

The features of this block are:

Flat and rectangular in shape
795m2 in area
Backs onto bushland and water/nature reserve
New area with quality homes being constructed throughout
