

68 Tradewinds Drive Banksia Beach QLD

My sellers are highly committed and ready to liquidate this property in favour of another investment. This strip of waterfronts are unique in having a 15 mtr "Quayline" plus the added benefit of a 4.5 metre setback from the waters edge gives maximum exposure for water views. If you don't want to build with a rendered finish then, this block is for you.....it's your choice.

It also offers no lock, no levies & no time limits to build.....

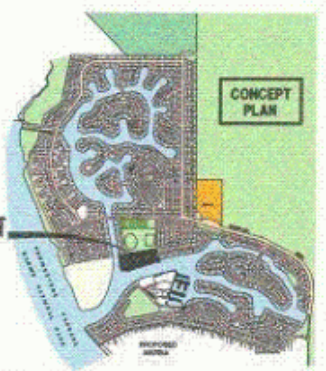

So, there's no time to dilly dally on this property being one of the last allotments on the main channel it is one to place on the short list...
