The owner of this home has lovingly cared for it ensuring any maintenance is kept up to date so you will find it to be one of those properties that you can just move into and then add your touches in your own time.

The living area is open plan giving that feeling of space and leads into a very workable kitchen layout offering a good sized breakfast bar. The bedrooms are well proportioned with loads of light and sliding built in robes. The property offers side access for the tinnie and the space for larger shedding or workshop that would make any man happy.
