

**6 Murrawong Street BELLARA QLD**

3 1 1

This three bedroom charmer has been refreshingly decorated and is ready to walk right in and sit right down.

The two living areas are all tiled and there is a rear pergola as well as a front patio under the main roof line. The renovated bathroom would easily be in place in a much more expensive property.

The property summary is:

- \* Three bedrooms plus one bathroom
- \* Two living areas - fully tiled
- \* Freshly painted inside and new carpets
- \* Front and rear patios
- \* Carport
- \* Plenty of room in the back yard
- \* 531m2 block
