

2/8 Dianthus Avenue BANKSIA BEACH QLD

3 1 1

If you are looking for a low maintenance home and don't really need a house on a full size block, then this three bedroom duplex might just be what you are looking for!

There is still a good size yard, but not too big! But it will accommodate a boat or a van and there is a designed parking hard stand for the second car. An insulated pergola at the rear flows on from the tiled living areas.

The property summary is:

- * Three bedroom brick and tile duplex
- * Tastefully decorated inside with near new appliances
- * Solar panels to the roof
- * Huge rear pergola - insulated
- * Private side and rear yard
- * Loads of room for the boat or van

Land Size : 106 sqm
