

7 Grice Crescent NINGI QLD

Situated in the new area of Sandstone Lakes, this regular shaped block is 795m² in area and backs onto the water and nature reserve and bushland.

This block was selected by the current owners due to its many attributes, including having an easterly aspect to the rear to obtain the morning sunshine. Due to a change in circumstances this block is seriously for sale.

The features of this block are:

- Flat and rectangular in shape
- 795m² in area
- Backs onto bushland and water/nature reserve
- New area with quality homes being constructed throughout the estate
- Easterly aspect to rear

Land Size : 795 sqm
