

52 Kakadu Circuit Banksia Beach QLD

4 3 4

Thoughtfully designed for comfortable living, this low set home offers space for the extended family or in law accommodation.

The master bedroom boasts an ensuite and walk in robe whilst the guest bedroom also offers an ensuite and generous wardrobe. Another two large bedrooms and study complete the accomodation. The practically designed kitchen comprising Bosch appliances, abundance of storage and walk in pantry becomes the central focus, perfect for entertaining.

The rumpus and media rooms are separated by an informal meals area that leads to the east facing covered alfresco space, gardens, gazebo and spa.
