

Bellara

3 1 1

Repainted with new floor coverings and window furnishings this 3 bedroom lowset brick home is centrally located and within easy walking access to all amenities. This property would make a great first home or investment. The home offers seperate lounge room, 3 good size bedrooms, and kitchen and meals area. A sunroom at the rear of the home and internal laundry and plenty of fully fenced yard space will enable future development if required.

Land Size : 531 sqm
