

4 Oxley Way Woorim QLD

4 2 2

This substantial single level 4 bedroom plus a study residence measuring 324 square meters is presented in superb condition. A very versatile floor plan which could accommodate the large family or is ideal for teenagers or the mother in law as there is a separate wing and bathroom away from the rest of the house.

This Phil Burns built house also has a dedicated media room with ducted air conditioning.

But as nice as the home is, it is all about location. And this position has it all. Just a mere stroll to the ocean beach and the Surf Club from this spot. And all on a 728 m2 block.
