

114 Cosmos Avenue Banksia Beach QLD

4 2 2

The perfect blend of summer and winter with the ability to be opened up via bi-fold doors and take in the best of the summer months. As we cool into winter, the sun moves to warm the living areas of this home. It gives that lovely sense of cosiness and to curl up on the couch. Now is the time to make use of the heated spa on the deck with a bubbly and strawberries and watch the sun go down.

- * Bifold doors throughout the living and entertaining areas.
- * Louvred windows for ease of air flow.
- * Gated entrance to the property.
- * Beautiful entertaining gazebo.
- * Raised ceilings throughout the living areas.
- * Greenery around the home brings coolness to the property.
- * Easy access from the deep water to Moreton Bay and Pumicestone Passage.
