

**80 Lakeside Crescent Ningi QLD**

4 2 2

Definitely not the run of the mill Sandstone Lakes home, designed by the present owner who couldn't find a layout that worked for the family. Architecturally drawn up, then built by DJ Roberts, at only 2 years old the builders warranty is still in place, without the stress and uncertainty of a new build.

The kitchen is large with plenty of cupboard space, feature tiling, electric cooking, hideaway for appliances and double sink with water filter. The dining/living has direct access to the under roof-line patio. An open plan carpeted Media Room is off the main living area and ensures true family living.

The spacious Master Bedroom has large walk around robe, ensuite with open shower, so no glass to clean! Two of the remaining bedrooms have walk in robes, and the fourth
