

21 Kalunda Drive Caboolture QLD

3 1 2

This highset home is presented with polished timber floors to living areas and new carpets installed to all bedrooms. The bathroom and toilet have been fully renovated in neutral colours tones and timber blinds on all windows. A practical kitchen with fabulous timber slab bench top and moveable Island bench adds to the warmth of the home.

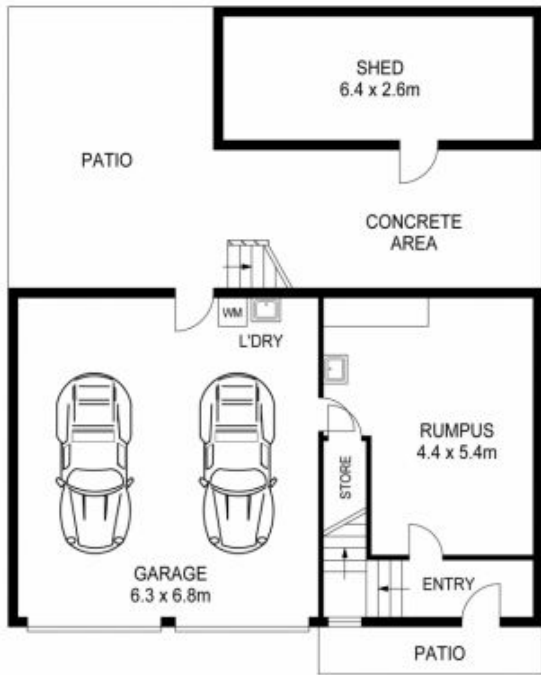

There is loads of potential underneath the home for a variety of uses such as TV room, rumpus room, kids play room etc. Both the garage and the shed are fitted out with pressure air hoses and fluoro lights ideal for someone who wants to work from home in mechanics or spray painting.

Excellent side access with double gates allows for boats or van storage on the large 814m2 block. The property is fully fenced with easy care colourbond steel.
