

4 North Point Banksia Beach QLD

3 2 3

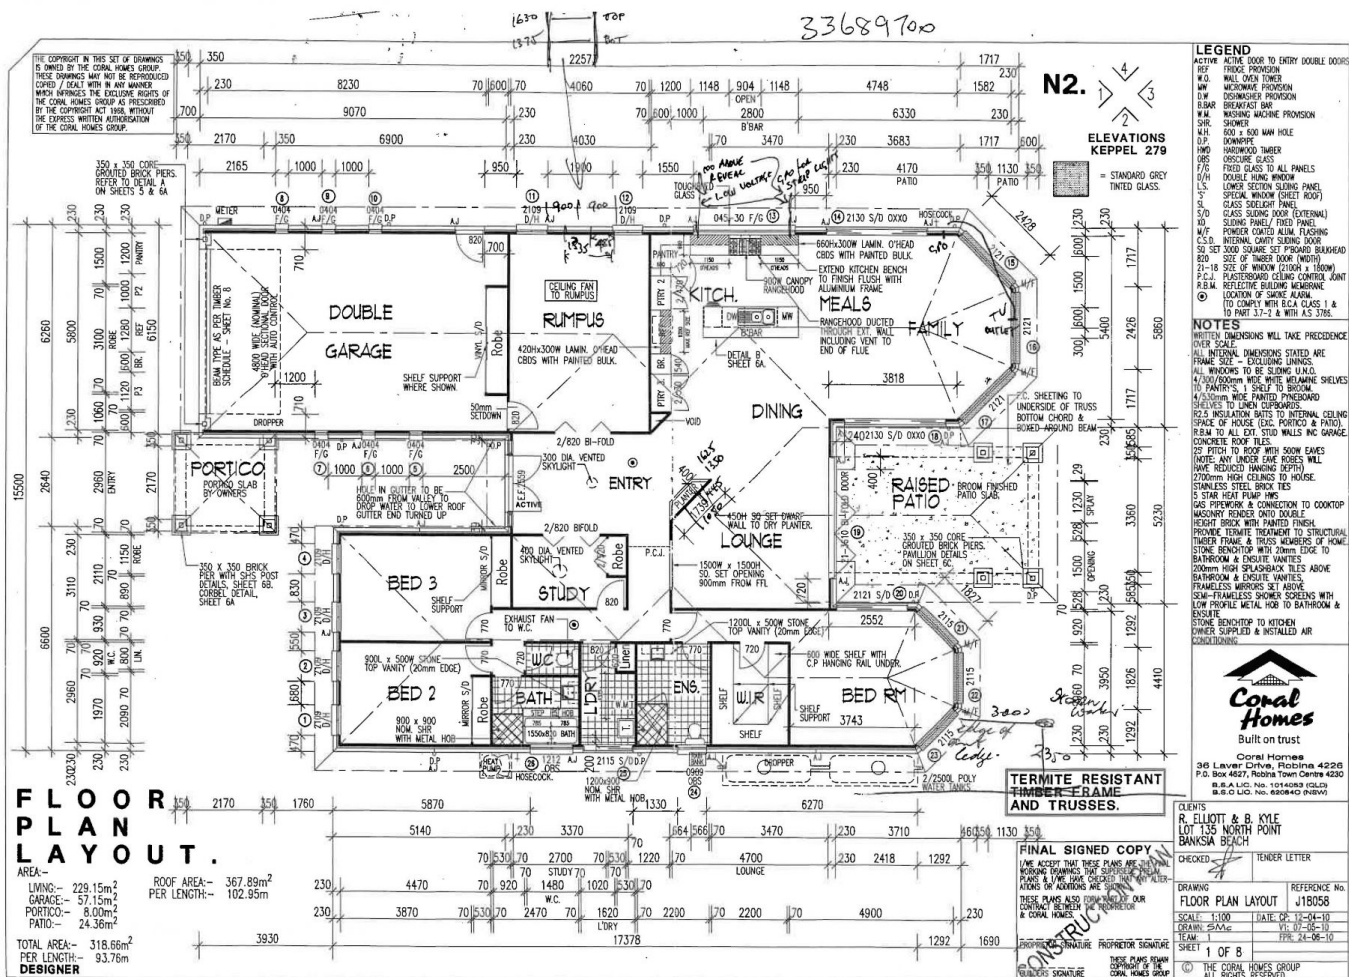

This is the one you have been waiting for! You will instantly fall in love with the style, design and location of this gorgeous waterfront residence from the very first moment you walk through the gate house and front door. With an impressive wide entrance drawing your eye directly through an open floor plan and onto the established gardens framing the glistening water views.

Relaxed waterfront living is showcased here with open plan flowing spaces incorporating the lounge and dining areas positioned to take in all the aspects of the property plus a Media room for time out. The solid timber deck invites all to enjoy entertaining under soaring ceilings on the outdoor patio, creating the ambience of the perfect coastal home.

Land Size : 900 sqm
