Are you looking for an in-between? Thinking about buying in the area and want to get a feel first? Is your house build almost complete, and you want to be close by until it's finished?

We have a short-term lease available on this spectacular home. At this stage it's available somewhere between 3-5 months with specific timing to be confirmed depending on yours & the owners circumstances.

This home really is something special! It's not often homes of this size and elegance come onto the rental market.

The home includes four bedrooms, two bathrooms + a powder room. It has an outstanding outdoor entertaining area overlooking the recently resurfaced inground pool and a large pontoon - great for fishing & water toys!

Price : \$750 pw
